Re: ***Johnson, et. al. v. Teachers College Columbia University, et. al.***
Docket No.: 1:24-CV-04811(MKV)
Our File No.: 22643.00086

Dear Judge Vyskocil:

We represent defendant Teachers College Columbia University (“Teachers College”) in the above-referenced matter. We write jointly with plaintiffs’ counsel to respectfully request that the Court refer the parties to a settlement conference at the Court’s earliest convenience.

As the parties have continued to communicate regarding discovery, we have also discussed the potential for settlement. As a result of these discussions, the parties agree that a settlement conference would greatly assist us in potentially settling this matter.

To facilitate settlement, the parties respectfully request that the expert discovery deadline, currently set for July 25, 2025, be extended to two-weeks following the date of our settlement conference, or two-weeks from our current deadline. This extension would allow the parties to focus directly on settlement while also allowing us to avoid further discovery costs related to expert discovery in the event a settlement is reached at the conference

We respectfully request that the Court refer the parties to a settlement conference at the Court’s earliest convenience and, correspondingly, grant the parties a two-week expert discovery extension.

We thank the Court for its time and consideration in this matter.

Respectfully submitted,

**WILSON ELSE MOSKOWITZ
